

**UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW JERSEY**

**SOUTHERN NEW JERSEY BUILDING
LABORERS DISTRICT COUNCIL,**

Petitioner,

v.

FAMA CONSTRUCTION,

Respondent.

04-CV-3377 (WJM)

ORDER

Petitioner having filed a motion to confirm an arbitration award; the Court having granted Petitioner's motion; the Court having accordingly entered judgment in favor of Petitioner and against Respondent; the Court's jurisdiction over the matter thus having terminated with the exception of any ancillary jurisdiction necessary to give effect to its earlier orders; Petitioner and Respondent having subsequently entered into a settlement agreement purporting to substitute certain contractual obligations in lieu of this Court's judgment; Petitioner now moving to enforce this settlement; enforcement of the settlement agreement not being necessary to give effect to this Court's earlier orders; the Court thus lacking subject-matter jurisdiction to enforce the settlement agreement; and good cause appearing;

IT IS on this 8th day of July 2008, hereby

ORDERED that Petitioner's motion to enforce the settlement agreement is **DENIED**.
